

Safify Privacy Policy

Last Updated: May 26, 2026

Welcome to Safify (“Safify”, “we”, “our”, or “us”). This Privacy Policy explains how Safify collects, uses, stores, and protects your information when you use our mobile applications, website, and related services.

1. Information We Collect

Safify is designed with privacy in mind. We collect only the information necessary to provide and improve the Service.

Information You Provide

Expense and transaction data, budget information, subscription and recurring payment details, receipt photos, voice recordings used for expense input, AI chat messages, account information such as email address, and preferences including currency, language, and theme settings.

Automatically Collected Information

Device type and operating system, app version, crash reports and diagnostics, anonymous usage analytics, and performance logs. Safify does not collect banking credentials.

2. How We Use Information

We use information to provide budgeting and expense tracking features, process receipt scanning and voice input, generate AI-powered insights, sync data across devices, improve app stability, respond to support requests, and maintain security.

3. AI Features

Safify may use third-party AI providers to process receipt scans, voice expense transcription, AI chat interactions, transaction categorization, and financial insights. Data shared with AI providers is limited to what is necessary to perform the requested feature.

4. Data Storage

Safify supports local-first and offline usage. Depending on the features you use, your data may be stored locally on your device or securely synced to cloud infrastructure if synchronization is enabled.

5. No Bank Login Requirement

Safify does not require bank account connections to use core features. Users can manage expenses and budgets manually without providing banking credentials.

6. Sharing of Information

We may share limited information with trusted service providers including cloud hosting providers, analytics providers, AI processing providers, customer support tools, and payment processors necessary to operate the Service.

7. Analytics and Diagnostics

Safify may use privacy-focused analytics tools to understand feature usage, app performance, crash reports, and stability issues. Analytics data is aggregated whenever possible.

8. Data Retention

We retain data only as long as necessary to provide the Service, maintain backups and synchronization, comply with legal obligations, resolve disputes, and enforce agreements.

9. Your Rights

Depending on your location, you may have rights to access, correct, delete, or export your data, and to restrict certain processing activities.

10. Children's Privacy

Safify is not intended for children under 13 years of age. We do not knowingly collect personal information from children.

11. Security

We use reasonable administrative, technical, and organizational safeguards to protect your information. However, no method of electronic transmission or storage is completely secure.

12. International Users

Your information may be processed and stored in countries other than your own. By using Safify, you consent to such transfers where permitted by law.

13. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. If material changes are made, we will update the Last Updated date and may provide additional notice within the app.
